thousands of books have already been written on atlantis since its reality was first disclosed by the great philosopher plato some two and a half millennia ago hence one may well wonder whether a new book on the subject is really needed can anything new actually be said about atlantis the answer is a most categorical yes after all the riddle of atlantis has never been satisfactorily solved so far the present book is an attempt by a reputed scientist to scientifically compare and refute perhaps for the first time ever the various existing theories on atlantis location and reality the author also expounds his own theory which definitively locates atlantis in indonesia in his research prof santos

marries the most recent results and techniques of modern science to the sacred and folk lore of all the peoples of the world knitting humanity together in a solution to the riddle of atlantis that neatly ties together the vast scientific and traditional evidence which was always there but never before seen by other researchers the reader whether a scientist with an open mind or a lay person is led to conclude that plato could well have been telling the truth after all since the information provided by the great philosopher is so uncannily confirmed by the recent scientific finds of all sorts

marine explorer dirk pitt faces off against an elite army from an era gone by in order to uncover the secrets of an ancient civilization in this 1 new york times bestselling series a group of anthropologists uncover strange inscriptions on the wall of a colorado mine just as an explosion traps them deep within the earth but their work won t stay buried long dirk pitt is on hand during the blast and quick to initiate a rescue operation he is then tapped to lead a research crew on behalf of the u s national underwater and marine agency to further study these uncanny artifacts and that s when his ship is set upon and nearly sunk by an impossibility a vessel that should have died 56 years before clearly another group knows about the relics of this long forgotten but highly advanced seafaring culture and they ll stop at nothing to keep the rest of the world in the dark
